## MAY/JUNE

### SPRING CONCERTS

Terme Excelsior Historical Hall, 9.15 p.m.

Since the beginning of the nineteenth century all the great Italian opera composers have chosen to stay in Montecatini Terme to recover their strength at the famous Spa and to find new inspiration, like Giuseppe Verdi, who composed here part of his famous Othello and Falstaff. In this town their music, which has made us well known all over the world, still sounds everywhere, raising deep emotions in the listeners' souls. The most famous opera arias and duets, operetta and the greatest hits of the Neapolitan song are performed by international singers in a really enchanting hall of Montecatini Spa.
